President's Message

Happy New Year! As we usher in 2018 and close out 2017, I would like to take a moment to thank everyone for using White Eagle Credit Union. This is a great time to talk about what makes credit unions unique. We are a not-for-profit organization where every member is an owner. Our tag line states that we are "Refreshingly personal. Remarkably advanced." The refreshingly personal is our attempt to treat every member with dignity and respect. The remarkably advanced is a goal that we have to stay current with technologically advanced services. Some of these services are: CardValet which allows members to turn their debit card on or off, the White Eagle Mobile App which allows members to get their balances quickly and/or transfer money quickly, Remote Deposit allows a member to make a deposit by taking a picture of a check and sending via the White Eagle Mobile App, and WEPay which allows a member to pay bills online. As we proceed through 2018 we ask for your direction in staying current. If there is anything you would like to see us offer, please let a staff person or a board member know. We look forward to serving you in 2018.
