President's Message

Summertime is upon us and we hope we are meeting your financial needs. We would like to ask you for your help. Please share White Eagle with your family and friends. We would like them to know what White Eagle CU is all about. Membership to White Eagle is available to anyone who lives or works in Butler County, Harvey County and their surrounding counties. At WECU, we are dedicated to providing our members with outstanding personal service. It is a philosophy that started with the beginning of the credit union 83 years ago.

White Eagle is a not-for-profit financial cooperative which means any earnings the credit union has are paid back to members in the form of higher savings dividends and lower loan rates. In addition to the traditional loans such as: mortgages, auto, signature, HELOC and the savings products we offer; WECU has made a commitment to our members to stay current with technological advances. Some of these services are: CardValet, Instant Issue Visa Debit Cards, budgeting tools, and the latest in banking mobile app which includes face recognition and instant balance at the touch of a button along with remote deposits and transfers.

By empowering you, our members, to improve your financial well-being; it is our commitment to provide services that you have control over, setting up and utilizing on a daily basis. Thank you for being a part of White Eagle. We appreciate you!
