### President's Message

As we take this time to look at 2018 in review, it is a time to be thankful for all the blessings that have come our way. For White Eagle Credit Union, we would like to thank all of our members who have allowed us to help you with your financial needs this past year. We hope we have provided value in the products and services we offer. For those of you looking for a convenient and friendly financial institution to do business with, we invite you to "come check us out".

As we move into the New Year, we believe we have lots to look forward to. By living in the Midwest, we are fortunate to live in an area where we know our neighbors, friends, and co-workers really well. The Wichita and surrounding communities' economics appear to be doing very well. Unemployment is at an all-time low, real estate prices appear to be reasonable and there continues to be a lot of incentives on the purchase of vehicles. Technology has allowed us to conduct business in a much more efficient manner and at the same time still keep the friendly personal service that is needed and desired.

I would like to close by wishing everyone a happy and prosperous 2019.

*Richard J. Oliver*
