President's Message

How time flies! It is hard to believe it is the 4th Quarter and the New Year 2020 is just around the corner. It seems like 2019 was just getting started a few weeks ago. We hope that we are continuing to meet your needs by providing friendly, professional service.

I would like to share a few accomplishments we had this year. We finally opened our new branch building in El Dorado in July this year. After the extensive planning and sitting in on all the construction meetings, it was nice to see the finished product. We encourage you to stop by and "check it out". Also, 2019 saw the implementation of a new "Home Banking" product. The updated site is very user friendly and has a few more bells and whistles. If you haven't logged in a while, I would encourage you to contact one of our member service representatives. They would be glad to help get you logged in.

Finally, as it relates to interest rates, the Federal Reserve began the year by raising rates only to see them lower rates in July of this year. Be assured that we are monitoring rates closely.

I would like to finish by saying how much we appreciate your support of the credit union. If there is a service or product you would like to see us offer, please let us know. Also, we are continually looking for people to serve on one of our committees. If you have an interest, please notify one of our volunteers or a credit union employee.
