President's Message

In difficult times your credit union is here to help.

In early March of this year, our worlds were turned upside down with the beginning of Covid-19. The issues that resulted from this announcement were nothing like we have seen in our lifetimes. We were basically quarantined at our homes, many of our members were either furloughed or laid off and are still feeling the uncertainties of what the future holds. At the middle of March our lobbies were closed and our staff started platooning with half of them working in the office and other half were working from home.

During this time our members were provided the opportunity to utilize services that were available remotely. Some of them are as follows: Drive-thru, Mobile App, Remote Check Deposit, WEOnline Services, WEPay and Docusign for loans and new accounts and CardValet for Visa Debit Cards. We sincerely hope that members find these to be helpful in continuing to be able conduct business at the credit union and stayed informed with what was going on at White Eagle during this time. If not, please let us know so we can do better.

Effective June 1, our lobbies were reopened as we try to follow the guidelines set forth by the Governor and the County. We really look forward to seeing members again. Please know we are always here for you no matter what the circumstances are. We want to thank you for being patient with us as we go thru this together.

If you need to get in touch with someone in the Loan Dept., their number is 1.316.440.090 and Member Service is 1.316.440.0092. Thank you again for allowing us to continue to serve you.

Sincerely, 
Richard G. Blue President
