## President's Message

Wow! 2020 is in the books. We hope that you and your family were able to stay safe and healthy throughout the year. We look forward to 2021 with renewed vigor and hope.

As we begin to discuss our strategic plan for the year, we are dealing with interest rates at an all-time low. With the Federal Reserve keeping rates at close to zero, we know this has been good for our borrowers but hard on our savers. We know there are going to be hurdles to get over this year. However, there are a lot of things to be hopeful for.

The most important thing I want everyone to know is: **WE ARE HERE FOR YOU!** Even though we had to temporarily close our lobbies again, we continue to be able to take care of our borrowers and our new account holders with "DocuSign". This allows us to email documents safely and securely to you for signatures and you can email them back. If there is a new service you would like to see us offer, please let us know. We are continually growing and looking on ways to improve to provide you the best service possible. We want to thank you for allowing us to serve you. Here is to hoping and praying that you and your family stay healthy and financially sound throughout the new year.

*Richard J. Blue*
