Happy
New Year

ERIC BROWN
PRESIDENT/CEO

President's News

With 2022 now in the rearview mirror, we take just a minute to look back on the year that was. There will be several headlines we all remember from this past year. Headlines such as the Russia and Ukraine upheaval, the Kansas Jayhawks basketball National Championship, and the rapid increase in our cost of living.

At White Eagle Credit Union, we also saw our share of changes, but the main key things stayed consistent. White Eagle Credit Union is a place where people are genuinely excited to belong and to work. We understand that in today's world, we have an opportunity to re-instill the belief that kindness and honesty still exist. That family matters. We hope that each of you that we interact with feel respected and valued as a member and that you feel hopeful and optimistic about doing business with us. Because at White Eagle Credit Union, we believe!

We wish you a happy New Year. We look forward to a successful 2023... with you!

Eric Brown
