### Letter from the President

*2024 is here. Believe!*

The New Year symbolizes renewed personal goals, endless possibilities, and hope for what's to come. In order to be successful in 2024, stay focused, develop a positive attitude, and be passionate with your dreams.

2024 will present an opportunity. It's an opportunity to write a new chapter or create a new verse. It also presents the opportunity to write the same old story. Ultimately, that choice is yours.

For the past couple of years, you've likely noticed that our tagline at White Eagle Credit Union is simply "Believe." To us, that one word means so much. It represents optimism, to have confidence in the truth, that honesty and kindness are alive and well in this world. As the New Year has begun, we invite you to join us with renewed hope. We encourage you to tell your friends and family about us and invite them to join a financial institution that believes in tomorrow — that believes in magic — that believes in love — that believes in you!

*"Take a leap of faith and begin this wondrous new year by believing. Believe in yourself."*  
(Sarah Ban Breathnach)
