Letter from the President

Bestselling author Adam Grant once said:

"Good leaders build products. Great leaders build cultures. Good leaders deliver results. Great leaders develop people. Good leaders have vision. Great leaders have values. Good leaders are role models at work. Great leaders are role models in life."

Continuing with our Leadership Team introductions, this quarter we are thrilled to spotlight Holli Scobee. Holli has been a dedicated member of the White Eagle Credit Union family for quite some time, and this past year we were proud to see her promoted to Loan Manager.

Holli's influence on the growth and evolution of White Eagle has been remarkable, shaping what we've become today. Her leadership, expertise, and dedication have left a lasting impact, and we know she will continue to play a key role in guiding our success into the future.

Loans Manager: Spotlight on Holli Scobee

Starting in 2000, Holli has worn many hats at WECU. She started as a Member Service Representative, took on roles in administration and became a loan officer in 2007. Most recently, Holli stepped into the role of Loan Manager in 2024.

Reflecting on the recent transition, Holli says:

"After six months in my new position, I'm finally finding my bearings. My hope is to maintain the integrity and strength of the loan department. I love the roots of WECU and what it stands for in this community. We are a credit union for the people, built on the principle of 'people helping people.' I feel truly blessed to help our members, whether it's through something as simple as a car loan or providing support during a challenging time in their lives."

Fun Facts:

- Married for 33 years, with one son.
- Lives on a hobby farm with goats, chickens, turkeys, guineas, ducks, dogs, cats, and turtles. It's a lot of work, but they love it!
- Passionate about nature and all things natural. Finding peace in the smell of fresh cut grass, a good rain and her farm. Nature is truly Holli's happy place.

Hello!

DO WE HAVE THE CORRECT CONTACT INFORMATION FOR YOU?

If not, please let us know.

'Tis the Season to Stay Safe from Scammers!

At WECU we strive to empower members to improve their financial well being. Did you know that more than a third of U.S. adults have been targeted by scammers asking them to pay fake fees or debts with gift cards? A recent AARP survey shows that about a quarter of those targeted lost an average of \$200 after sharing gift card numbers with criminals.

Be Alert!

Scammers often:

- Claim you need to pay fees to claim sweepstakes winnings
- Impersonate a friend or coworker, asking for a "favor"
- Ask you to pay upfront for a product or service using gift cards

Always verify the source before purchasing a gift card for someone else! Stay informed, stay safe. If it sounds suspicious, it probably is! Give to those we know and those we love.
