JULY 2025 - QUARTERLY NEWS

Letter from the President

Expanding Our Reach – Because We Believe in Community

Did you know that credit unions aren't open to just anyone? Unlike traditional banks, credit unions require you to meet certain eligibility criteria—usually based on where you live, work, or who you're connected to.

That's how it started for us at White Eagle Credit Union. When we first opened our doors in 1935, membership was limited to employees of the Augusta White Eagle Refinery and their immediate families. That small but strong foundation built a legacy of trust, support, and service that has lasted for nearly a century.

Over the years, as laws evolved, so did we. Our field of membership expanded to include individuals who live or work in Butler County and any surrounding county. Today, that includes Butler, Chase, Cowley, Elk, Greenwood, Harvey, Marion, Sedgwick, and Sumner counties—as well as the immediate family of current members.

And now, we're growing again.

Effective July 1, we're proud to announce that membership is now open to individuals who live or work in counties adjacent to Harvey County. Thanks to our Newton branch, this includes McPherson and Reno counties!

We're thrilled to welcome even more Kansans into the White Eagle CU family. If you have friends or family in McPherson or Reno counties, let them know: the door to financial wellness, member-first service, and a legacy of trust is wide open.

Summer Fraud Tip: Beware of Vacation Scams

Scammers take advantage of summer travel by creating fake rental listings, too-good-to-be-true vacation deals, or impersonating travel companies. Always book through trusted websites, read reviews, and avoid paying with wire transfers or gift cards. If a deal seems too perfect, it might be a scam—don't let fraud ruin your getaway!
